Dear Friends:

It is a privilege to congratulate Prime Development on the opening of its new mixed-use housing and retail redevelopment project.

This newest Greenville neighborhood is sure to be a welcoming place for new residents; and I know the new retail establishments are a welcome addition to Greenville's growing economy. While Greenville has faced some challenges with the departure of Electrolux, the community has met them head on and has not wavered in its determination to replace lost jobs as it looks to the future.

Thank you, again, for the opportunity to share my congratulations and my very best wishes for continued growth in Greenville.

Sincerely yours,

Jennifer M. Granholm
Governor
